Sex Male | Date of birth 07/07/1991 | Nationality Nepalese

PERSONAL STATEMENT

I decided to take up I.T because it is an important feature of our everyday lives. This is not the only reason I have chosen to take this path, I have many interests in IT especially the web design field. I have chosen to study Computer Science because I am fascinated by how computers work and I spend most of my spare time designing programs and web pages because I enjoy problem solving and logical thinking...

WORK EXPERIENCE

12/02/2014–Present **Computer Web designer**
